

● First Steps

- Choose your desired study courses and city

You can search for your course on Study Australia:

<https://www.studyaustralia.gov.au/en/plan-your-studies/find-a-course>

- Check the entry requirements provided under each course. Each college and course has different requirements. However, some common requirements are:

- Relevant Qualifications or Experiences.
- English Level.
- Genuine Student (GS) Requirement.
- Proof of sufficient funds.

- Gather the required documents and apply for admissions, for example:

- Academic qualifications and results
- English Certificates. If required, you must take an English Test.
- Passport and other personal information.

- If successful, receive your Letter of Offer and accept the Offer.

- Make the initial Pre-Paid tuition fee and organise your Overseas Student Healthy Cover (OSHC).

- Once you receive your Confirmation of Enrolment (CoE), apply for your Student Visa.

● Once you have your Visa

- Book your flights.

The earlier you can purchase tickets, the cheaper they tend to be. Check your course starting day and Orientation Day, and try to arrive earlier than these days.

- Check the Department of Home Affairs website for information about entering Australia.

- Have your important documents ready.

● When you land

- Head to your accommodation.
- Take a deep breath and prepare for your studying in Australia. It must be an exciting adventure!
- Visit your college and familiarise yourself with the campus. Locate your classrooms, student support services, and any other facilities you will be using.
